

# He Loved Me Not

I always thought I loved him  
Even when he did me wrong  
Always thinking of him  
When we couldn't get along  
I would do anything for him  
But he would hardly try  
I was so in love with a thing that was a lie

He said, he said he loved me  
But he just forgot  
He said, he said he loved me  
But he loved me not

I never thought he'd hurt me  
Now he's hurt me way to long  
He makes up his reasons  
His hold is way to strong  
No I'm not going to take it  
Its time to say goodbye  
I was so in love with a thing that was a lie

He said, he said he loved me  
But he just forgot  
He said, he said he loved me  
But he loved me not

He said, he said he loved me  
But he just forgot  
He said, he said he loved me  
But he loved me not
